**Aurora
Health Care**

2017 – 2018 edition

Welcome to the 2017-2018 edition of The Aurora Health Care Pharmacy Residency Annual Newsletter!

“Surround yourself with the dreamers and the doers, the believers and thinkers, but most of all surround yourself with those who see greatness within you, even when you don’t see it yourself” –Edmund Lee

As this year comes to an end for us as current residents, we are all reflecting on the wonderful memories, the many lessons learned, the growth of our clinical skills, and the appreciation we have for our future careers. We know we could not have achieved this goal without each other and without the support of all of our amazing preceptors. We also could not have done this without YOU! We are all honored to be joining you as proud Aurora Pharmacy Resident alumni, and look forward to continuing the tradition of achieving great things within our personal lives and careers.

AdvocateAuroraHealth

Advocate Health Care

Aurora Health Care®

On a system level you may have heard that Aurora Health Care recently merged with Advocate Health. We are now the 10th largest hospital system in the country. At this time no changes will be made to the residency program but in the future editions of this newsletter you may see some updates!

Residency Program Overview

This year, Aurora Health Care's pharmacy residency program trained 25 PGY1 residents and 9 PGY2 residents that will be continuing their careers across the nation! PGY1 pharmacy residency programs included Aurora Health Care Metro, Inc., Aurora West Allis Medical Center and Aurora BayCare Medical Center. PGY1 Community-Based programs included Aurora Health Care Metro, Inc and Aurora Specialty Pharmacy. PGY1 and PGY2 2-year programs included Administration and Informatics. Finally, PGY2 programs included Oncology, Critical Care, Cardiology, and (new this year) Infectious Diseases. The vision from our pharmacy leaders sustains Aurora Health Care's reputation as offering premier residency programs in the country, and we are proud to enter a quarter of a century of residency training.

A few big things occurred this year including the completion of the first year for our PGY2 residency in Infectious Diseases with Courtney Horvat being the inaugural resident. Rachael Prusi, PharmD, MSGH has stepped into the role of residency program director for the Aurora BayCare Medical Center residency program. We also welcomed back Sarah Zukkoor Zorn, PharmD, BCPS-AQ-Cardiology as the PGY2 Cardiology program director. Last but not least, the Aurora Community-Based Specialty Pharmacy Residency was officially granted accreditation!

This year also marked the first annual Wisconsin Pharmacy Residency Conference (WPRC) that took place during the PSW Educational Conference in April. This conference was attended in place of Great Lakes Residency Conference. This opportunity allowed Wisconsin residency programs to highlight the amazing work that the residents across the state are doing. All Aurora residents presented platform presentation as well as a poster on their yearlong projects. Julie Dagam and Craig Grzendzielewski participated on the planning committee as co-chairs! Aurora Health Care had a huge presence from both residents and preceptors during this conference, and we look forward to continuing to attend this conference in years to come.

Based on feedback from the past several residency classes, the Aurora Health Care Metro, Inc. residency program will be switching up the staffing model. Residents will continue to spend time in site based decentral roles, but will change how they gain experience in central pharmacy and central order verification. The goal is to give residents more consistent experience in fundamental core pharmacist duties in central pharmacy while still maintaining the core duties of oversight, dispensing, and order verification balanced with decentral activities.

Congratulations

Congratulations to Garrett Fouth, Andy Ackerman, and Courtney Horvat as they were invited to present their year-long projects at Aurora Scientific Day! Andy (third from left) was selected as the second best oral presentation and Courtney (second from left) received a plaque for her presentation during one of the Rieselbach Distinguished oral paper presentations.

Midyear

After a day filled with recruitment at our showcase booth and reception, the residents visited with numerous inspirational leaders at the Whitney Reception.

Our class had the incredible opportunity to personally meet with past Whitney Award winners David Zilz (DZ), Marianne Ivey, and Sara White

We also got to meet with the past ASHP presidents John Armistead and Stan Kent as well as the ASHP award winner for Distinguished Service New Practitioner Stephen Davis.

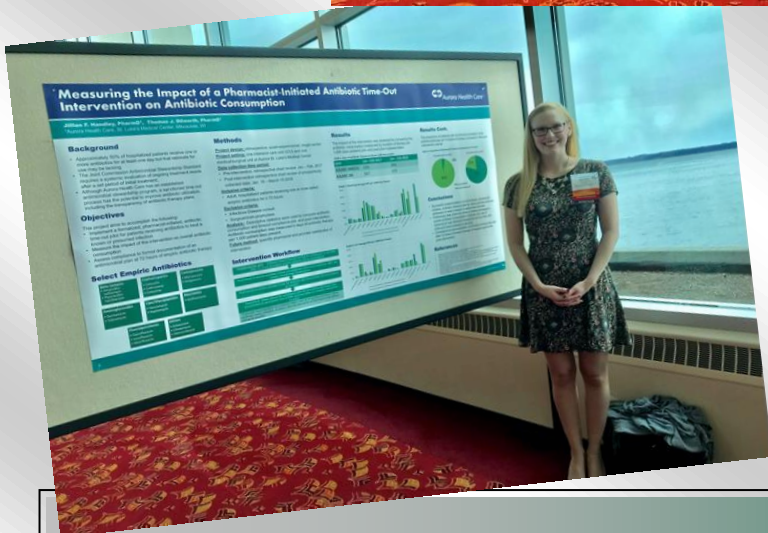

First Annual PSW

Wisconsin Pharmacy Residency Conference

April 2018
Madison, WI

Holiday Fun

Showing our unique personalities during our Halloween party!

We organized an event to raise money to purchase gifts for 3 families that we “adopted” for Christmas. As a department we raised a total of \$900 to split between these families!

We were able to get all of the items they requested plus some winter essentials! We enjoyed shopping for these gifts as well as wrapping them during our Christmas party!

Social Events

As a class we enjoyed brewery tours, wine nights, crunchwrap nights, and more!

Sporting Leagues

We had a blast reminding ourselves how out of shape we are during volleyball, football, and soccer throughout the year!

Where Are They Going?

PGY1 Pharmacy – Aurora Health Care Metro, Inc Residents

Andrew Ackerman, PharmD	PGY2 resident in oncology at Aurora Health Care Milwaukee, WI
Christina Andros, PharmD, MBA	PGY2 resident in health system pharmacy administration at Aurora Health Care Milwaukee, WI
Lisa Boone, PharmD	Internal medicine clinical pharmacist at University of Kansas Hospital Kansas City, KS
Tristan Edwards, PharmD	PGY2 resident in informatics at Aurora Health Care Milwaukee, WI
Jade Gilbride, PharmD	PGY2 resident in oncology at Aurora Health Care Milwaukee, WI
Nicole Hall, PharmD	Inpatient clinical pharmacist at Aurora Sheboygan Memorial Medical Center Sheboygan, WI
Jillian Handley, PharmD	Central order verification pharmacist at Aurora Health Care Milwaukee, WI
Tyler Ishman, PharmD, MPA	Central order verification pharmacist at Aurora Health Care Milwaukee, WI

Alumni Updates

Congratulations to the following Aurora Residency Alumni:

- Jared Frost ('14, '15) on his wedding May 2017! As a fun fact on their honeymoon the Frost's had a chance to tour the oldest pharmacy in Europe which was located in Dubrovnik, Croatia!
- Jocelyn Kerl ('13) on her recognition in March 2017 as part of In Business Magazine's 40 under 40! Check out the article [here](#), she is featured on page 10!
- John Kappes ('08) on his recognition as SDSU College of Pharmacy and Allied Health Professions Teacher of the Year in 2018 and Regional Health Luminary Award in 2017!
- Ellen (Prichard) Revak ('15, '16) on her wedding November 2017! Ellen also rejoined the Aurora Health Care team as the pharmacy director at Aurora St. Luke's Medical Center!
- Emily (Aycock) Bryant ('15) on becoming an adjunct professor at Concordia University of Wisconsin School of Pharmacy! Emily also will be welcoming her first bundle of joy July 2018!
- Sarah Ray ('98) is halfway through her 2-year term as president of the APhA Academy of Pharmacy Practice and Management and continues to enjoy her role as associate professor of pharmacy practice at Concordia University Wisconsin School of Pharmacy!
- Courtney (Jahnke) Morris ('09) on her recent transition to the Investigational Drug Service pharmacy team which is based out of ASLMC but supports investigational studies across the entire Aurora Health Care system!
- Julie (Martin) Dagam ('99) on her continuing appointment to the ASHP Commission on Credentialing!
- Lynne (Spearbraker) Fehrenbacher ('00) on her receipt of the 2018 Concordia University Wisconsin School of Pharmacy - Pharmacy Practice Faculty of the Year Award!

We know there are MANY alumni that deserve congratulations because Aurora alumni are awesome! If you have any personal or professional updates/accomplishments/kudos for future alumni newsletters, send them to Julie Dagam (julie.dagam@aurora.org), and please update Julie with any job changes, contact info, or great news throughout the year!
