

Estimated Monthly Tuition Expense

2-Year Program	3-Year Program	4-Year Program
<i>Based on a current cost of \$12,150* over 24 monthly payments</i>	<i>Based on a current cost of \$12,150* over 36 monthly payments</i>	<i>Based on a current cost of \$12,150* over 48 monthly payments</i>
\$506.25/month	\$337.50/month	\$253.13/month

*Tuition rates are not guaranteed and are subject to change to account for the increasing costs of the program. FTTI recognizes the importance of affordable education and therefore makes every attempt to minimize cost to students. This estimate does not include additional expenses which may apply i.e. textbooks, business cards, late fees, retaking a course or requiring additional supervision beyond Clinical Internship I & II. Additionally, scholarship or employer tuition reimbursement may reduce the cost of the program.
